La Maurette 1991

This is one of Provence's best kept secrets....until now! Domaine La Maurette's wines have previously only been available within France. The prestige cuvée '1991' is a blend of Cinsault, Grenache and Vermentino. It's pale pink colour has become a well established mark of quality in Provençal rosés.

We are really lucky to have found this amazing wine as they only produced 2400 bottles in 2019!

Whispering Angel

Whispering Angel by Chateau d'Esclans has a delicate and silky texture that is truly unforgettable.

This 2019 Provence icon is incredibly fine and elegant with very bright black cherry fruit and grippy, saline tannins. The flavour of Whispering Angel is complex, with layers of flavours; testament to the Provence region it comes from.

Chateau La Castille Glorius

This wine shows a fine pale yellow robe, with a slight shimmer of green. The nose reveals tropical fruit fragrances and citrus flavors.

This delicate yet vivacious wine has a silky smooth mouth feel and is a vivacious partner to crisp salads or the freshest the sea has to offer.

Generous and well balanced.

Uvam Pinot Grigio Blush

Fairly pale, bright, delicate pink with the slightest trace of copper.

Very fresh and delicate yet more serious than it seems with floral notes and hints of fruits of the forest.

Clean, dry and fresh with nicely balanced mineral and fruity notes and enough acidity to prolong those flavours on the palate.

Chateau Sainte Croix Charmeur

Amazing savoury herbs and spices cut through a floral bouquet.

Beautifully dry and elegant, this is an amazing cuvée that uses modern maceration techniques to extract some unusual flavours.

Don't miss out on the fabulous example of Provençal Rosé at it's very most charming!

La Farfalla Pinot Grigio

This delicately pale blush wine from the Veneto region of Italy starts with a hint of strawberry, before following through with a lovely, fresh, crisp palate.

It goes exceptionally well with slightly spicy Asian-style salads, and with the Italian classics of charcuterie and fresh seafood. Serve it chilled on a summer's day, pretend you're overlooking the Grand Canal in Venice and relax.
